## Welcoming new arrivals to Olivia!

Our chamber has fresh made welcome packs ready for new residents in the area! If you know of a new family or new resident in the area that would like to learn more about our businesses, amenities and things to see and do, please let us know! We would be happy to send them a welcome pack filled with goodies, maps, park and rec info, school and business info, and some fun promotional items too. Just e-mail us at the chamber office! The welcome packs were made possible by a grant from the tourism board and then neatly put together by the "God's work, our hands!" group from the Cross of Calvary church in Olivia. Various items were collected over the summer to fill the packs, including a 50<sup>th</sup> anniversary Corn Capital Days t-shirt! Thank you Pastor Matt and Sarah Hausken for choosing our project and thank you to the Cross of Calvary crew for a job well done!

## Promoting the Pond

As we transition from warm days into cool fall and eventually winter, we are hoping to keep the activity at Pond Park fun and engaging for all who visit the area. The chamber is looking for businesses or groups interested in promoting "family nights" at the pond with skating, hockey, bon fires, and more! We are also looking for groups who might be interested in earning some money by selling food,
